What is an '**Authorised**' absence?

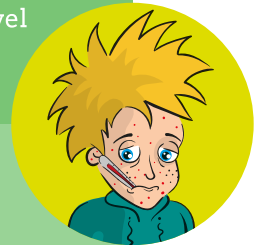

Please try to make medical appointments after school. If this is not possible, absence will be authorised for the duration of the appointment.

Family bereavement.

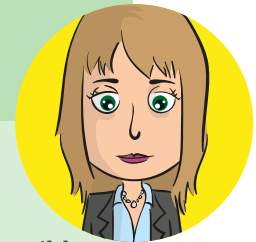

Pupil's personal illness. If a pupil's attendance falls below an acceptable level the absence will not be authorised.

Religious observance.

A holiday which has been authorised by the Head Teacher.

If you think you might need to take your child out of school for any reason, discuss this with the school as soon as possible.

What is an '**Unauthorised**' absence?

Illness of any other family member or caring for someone.

Days off for birthdays.

Holidays taken without prior approval from the headteacher.

Any other time which has not had prior approval from the headteacher.

If your child is over 30 minutes late for registration then this will be classed as 'U' - Unauthorised Absence.

Parental Responsibilities

If you have any issues/concerns which are affecting your child's regular attendance and punctuality at school, please speak to a member of school staff.

Please do this as early as possible so that we can support/help you to ensure that your child's attendance does not become a matter of concern.

You must complete a holiday request form from school prior to any holidays being taken.

It is important that a form is completed 4 weeks prior to the holiday to enable the headteacher to consider your request. Holidays will not be authorised except in exceptional circumstances.

- ✔ Please try to avoid taking holidays during school time
- ✔ Please ensure that your child is on school site at least 5 minutes before the bell for morning registration
- ✔ Please make sure that your child attends school regularly and on time
- ✔ Please do not condone any absences for reasons other than those under "Authorised Absence"
- ✔ Please contact school as early as possible on the first day of any absence

The Law on Attendance

- The Education Act 1996, section 444(1) states that if a child of compulsory school age who is a registered pupil at school fails to attend school regularly, then his or her parents/carers are guilty of an offence
- Teachers have to complete class registers daily and these are legal documents
- Any absence from school must be marked as "Authorised" or "Unauthorised" absence
- The law states that only the headteacher or nominated school staff can authorise absences - NOT parents/carers
- Unexplained absences or significant numbers of absences will be unauthorised, even if condoned by parents/carers
- All school absences have to be reported to the Local Authority and Government
- School liaise closely with the Local Authority Attendance and the Pupil Welfare Service. Continued unauthorised absences can lead to legal action being taken against parents/carers including:
Curfew Orders, Fixed Penalty Notice, Up to a £2000 fine, Community Service, Court Appointed Parenting Orders and Imprisonment
