

Year 2 Autumn Term 1 2024

English and Reading

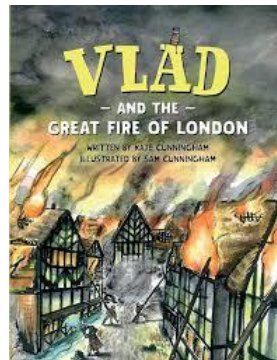

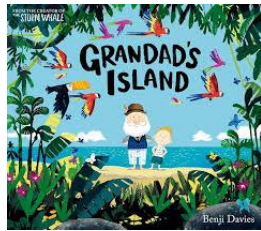

Our class text will be 'Grandads Island' and 'VLAD'. We will be reading the stories and using different skills to create a piece of writing linking to other areas of the curriculum.

Our writing focusses this half term:

- Character description
- Narrative for GFOL

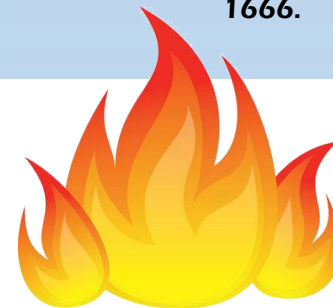

Skills we will be covering are:

Adjectives, capital letters, full stops, co-ordination and subordination conjunctions.

History

We will be using timelines to plot events in chronological order and investigating key changes that were brought about by key events and people involved in British History from the Great Fire of London in 1666.

Art

We are studying the art work of Beth Krommes looking at different ways to create waves using a variety of drawing materials.

Design Technology

Design and Technology will be our focus in Autumn 2.

Maths

In Maths, we will be consolidating arithmetic skills and applying our skills into reasoning and problem solving questions. We will be studying:

- Place Value
- Addition and subtraction
- Shape

PSHCE

We will continue using jigsaw where we will be focusing on developing and sustaining relationships and learning about healthy me.

Music

Pupils will learn about the origins of samba music and play a range of untuned percussion with control. Pupils will play simple ostinato call and response rhythms and compose their own rhythms.

PE

In PE this half term, we will be learning fundamental skills.

PE Days

Wednesday & Friday

Science

We will be studying Living things and their habitats. Looking at what is alive, once alive and never alive. We will also be covering that most living things live in a habitat and describing the different habitats.

We will be discovering how animals obtain their food from plants using the idea of a simple food chain.

Computing

We will be learning about computing systems and networks around IT and us.

Geography

We will be studying human and physical features in our local area as our focus for Autumn 2.
